Dear Brother Tucker:

Thank you so much for remembering our conversations at the Harding workshop. It was a real pleasure to visit with you and Brother Lee. Thank you for your encouraging remarks about the presentation that I made during the workshop.

As far as I can see now, I will be able to come for a weekend when your new building is finished. This would be a great honor for me and a special pleasure in view of the people I already know there and in view of the high esteem that I have for you and Ron McIndoo. You may let me know as soon as you are sure of the date.

The first time, after checking my schedule, that I can possibly come for a gospel meeting is Sunday, April 13, through Friday, April 18, 1975. The only other date that I could find on my calendar would be Sunday, October 10 through Friday, October 15, 1976. We talked in terms of 1974, but after checking my calendar, I discovered that this would be impossible. I can well understand if these dates are not acceptable; however, if you desire to schedule one of these times, although it is far into the future, I will be glad to hear from you.

I send you my very best personal regards.

Fraternally yours,

John Allen Chalk

Dear Bro. Chalk;

We certainly enjoyed the workshop at Harding. And it was real good to see you again and hear you speak each evening. You always do a fine job.

I'm sure you remember talking to Bro. Lee and myself about preaching for us in a meeting in 1974 and also holding about a 2 or 3 day week-end meeting for us when we get our new building with about a one thousand seat auditorium. It looks like now it might be about a year before it is finished.

You told me to be sure and write you about this so you will have it on record. You let me know the exact date for the meeting in 74. We will be looking forward to having you.

You keep up the good work, and may God bless you.

In Brotherly Love,

Willard Tucker
